# CO2 Neutral

We are committed to being environmentally responsible and reducing our carbon footprint. By making this choice, we are helping to reduce greenhouse gas emissions, promoting the use of clean energy and contributing to a more sustainable future. This commitment aligns with our values and our belief in creating a positive impact on the environment.

Sustainable / Recyclable packaging materials

Only electric technology instead of gas powered equipment

Recycling of used paper boxes and damaged pallets

We plant trees for those born later

**The CO2 neutral fulfillment service (packaging and shipping) is available from + \$1(per package)**
